

DEPARTMENT 8

POULTRY – PIGEONS

Superintendent – Hugh Irwin
Assistant Superintendent – Theresa Stratton – 570-470-9947
570-488-6289

Since all birds returned from the show are potential sources of infection to other birds, they should be isolated immediately after they return, separate and apart from all other birds. This isolation should be maintained indefinitely, if possible, or at least until it has been established that the birds are not carriers of disease-producing agents as may be determined by exposure of a few susceptible birds to direct contact with them.

NOTE: Any questions on testing of poultry should be directed to Department of Agriculture, Poultry Health Division, 2301 North Cameron Street, Harrisburg, PA 17120.

****NOTE** As per Nan Hanshaw DVM of the Department of Agriculture, all birds to be exhibited MUST have a state leg band! NO EXCEPTIONS! Birds will not be allowed to show at the fair without them. The state has them and they are free to exhibitors.**

Please check “Health Rules” section of this premium book for all health rules and regulations.

Entry Requirements

1. Entries will be received until such a time as the cooping capacity is reached.
2. Only properly entered specimens and specimens listed under the conditions of the fair’s premium book will be accepted.
3. Efforts will be made to coop singly. Right is reserved to place in one coop more than one bird of the same variety if owned by the same exhibitor.
4. The “American Standard of Perfection” of the American Poultry Association and the “Bantam Standard” of the American Bantam Association will govern poultry awards.
5. A bird can only compete for one prize, except as provided for in special awards.
6. A judge shall not officiate in a class where he/she has an entry. Collusion between a judge and an exhibitor will exclude from competition and awards all entries of the offending exhibitor. Exhibitor’s protest relative to such exclusion should be in writing.
7. Birds will be fed, watered, and cared for by competent employees.
8. Entered specimens must be bona fide property of exhibitor. All poultry must be separately cooped and clearly marked as to sex and class.

9. During the continuance of the show, all birds will be examined carefully each day. Birds showing signs of disease will be segregated and properly cared for, or returned to the owner at his expense.
10. Substitutions will be permitted before closing date of the entries. No substitutions will be permitted after closing date of entries unless of the same breed, variety, and sex.
11. Birds will be handled only by the judge or authorized fair official.
12. Premiums will be awarded on animals or birds exhibited in their proper classes.
13. In the absence of a protest, which must be in writing, the decision of the judge is final.
14. Premiums will be paid only on awards indicated by judge's records.
15. The management reserves the right to reduce the number of entries from one party if cooping facilities are exhausted.
16. Entries may be made in all classes in the Official American Poultry Association or American Bantam Association Standards.
17. Exhibitors must have all entries listed for competition on the grounds no later than **9:00 PM, Thursday, August 3, 2017**. All entries shall remain on the premises until **10:00 PM, Saturday, August 12, 2017** unless released by the Superintendent. Entries may be picked up on **Saturday, August 12, 2017 after 10:00 PM or on Sunday, August 13, 2017 until noon**. Judging will be on **August 6, 2017 starting at 8:00 AM**.
